

# Word Level 2 - Intermediate

## What Can You Expect?

This course will provide learners with foundational skills to an Intermediate level. These essential features are used daily, and improve workflow. Word Basic or equivalent experience is a pre-requisite for this course.

## Assessment Strategy

The assessment methodologies used are to determine and recognise learner competence against the related unit standard. Learners are required to successfully complete both Formative and Summative assessments.

## Unit Standard Alignment

**SAQA ID:** 117924

**NQF Level:** 2

**Credits:** 5

**US Title:** Use a Graphical User Interface (GUI) – Based Word Processor to Format Documents

## 2 Day Course Contents

### The Word Environment
